Improve material usage accountability, reduce overall consumption by up to 30 percent and increase plant efficiencies by making it easier and faster for employees to get needed supplies with vending.

INSTALLING A VENDING MACHINE right where materials are needed saves time and labor costs.

Power

- Batteries
- DC power plants
- Solar solutions
- UPS systems

Test out the newest products and technology right where you work with our MRO demo fleet. The Blade, the Hammer and the Torch are available to showcase new product demonstrations and provide on-site training.

WE GO WHERE THE ACTION IS—Invite us to your next event.

Safety and MRO

- » Arc-flash clothing
- » Fall protection
- » Lockout/tagout
- » Vending solutions
- » Lubricants
- » Cleaners
