

COMMUNICATIONS for the UTILITY INDUSTRY

OUR EXPERTS
are ready to help

SCADA. AMI/AMR. Distribution Automation. Smart Grid. NERC-CIP.

Utilities use communications. Whether you are starting from scratch, securing what you are already using or adding to your network, Border States can help. From fiber optics to surveillance or microwave to Wi-Fi, we have the latest products and solutions from the best vendors in the industry. When combined with service that is second to none, we really are part of your team.
