JOB SITE DELIVERY

We use our own delivery fleet ranging from small vans for hotshot deliveries to tractor-trailers with self-unloading capabilities so you get customized packaging, controlled shipments, minimized damage and on-time deliveries — right where you need it.

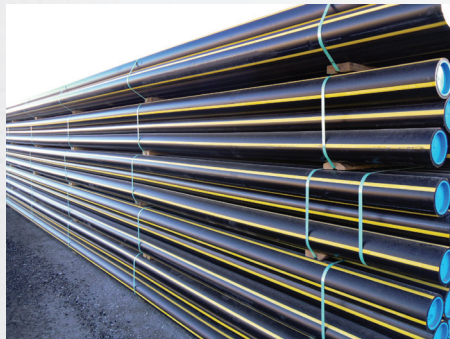

Electrofusion Fittings

- » End caps
- » Couplings
- » Reducers
- » Elbows
- » Tap tees – socket or butt fusion outlets

EMERGENCY SERVICE

We are available 24/7. For product or technical support day or night, call our toll-free Emergency HELP Line at 800.800.0199.

Polyethene Pipe

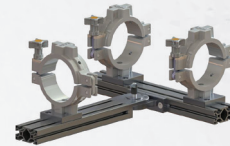

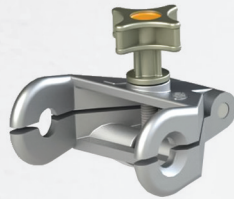

- » 2708 yellow
- » 4710/PE100 black
- » Available in coil and stick

If there is a recall or issue from the vendor, we can find the material and remove it from our inventory and inform you of the defective material, helping you improve safety and minimize cost and risk exposure.

**MATERIAL TRACKING
AND TRACEABILITY**

**Electrofusion
Tooling**

- » Processors
- » Scrapers
- » Peelers
- » Clamps

You can reduce your inventory investment and number of suppliers because we maintain extensive inventories of the products you need throughout our branch network across the country, assuring you access to fast-moving and hard-to-find products.

LOCAL INVENTORY
